Dear East Aurora Restaurants,

Planning is underway for our 2022 biennial Club Night Auction fundraiser and we need YOUR help to make it as successful as ever!

This year our event is scheduled for Saturday, October 29th and we expect over 200+ generous Club supporters to attend our 1st in-person event since 2018! In the past this event has raised over \$40,000 to support the youth programs and services offered by the Club. The Club relies on annual fundraisers like this to help us raise needed operating dollars for our programs.

To help us make this happen, we have partnered with Karen Mayhew of Daily's Catering to coordinate and prepare a meal for our guests. Our hope is to partner with all of our local EA businesses to offer our guests a variety of local fare to sample and enjoy during our event. Your donation may be a complete item or even an ingredient, prepared or not.

To help simplify our request, we are asking individual food donors to provide a specific item to help complete the ideal menu:

Will your establishment help us by providing 40-50 servings of an item to be enjoyed at the event?!

The Club will provide:

- Table, linen, signage for your donated item
- Recognition on marketing materials prior to, and during the event
- Promote your participation throughout the evening

We thank you in advance for your generosity and look forward to hearing from you. Your support will be making a difference in the lives of our children and in our community!!

Please feel free to contact Lori Stein at 716-652-4180, LStein@bgcea.org or Karen Mayhew at karenmayhew2@gmail.com with any questions.

Sincerely,

Club Night 2022 Auction Committee
